AIT GERMANY  
PDOB: 29 June 1903 in Potsdam, GERM  
BDC CHECK REQUEST

2. FLEMING is particularly interested in determining when Subject entered the Geheim Staatspolizei and whether he served with the criminal police prior to entering the GESTAPO. We cannot establish that the reference BDC trace was run at CATIDE request and therefore ask that new BDC traces be run. Please forward photocopies.

3. Munich traces on Subject consist only of references.

4. Despite the fact that FLEMING originated the request, we do not believe that there is any current security question other than the possibility that Subject lied about his wartime career.
